The diagram consists of three rectangular boxes connected by blue arrows pointing from left to right. The first box on the left has a light gray background and contains the text 'Rcpp::SubsetProxy::operator Vector< RTYPE, StoragePolicy >'. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle has a white background and contains the text 'Rcpp::SubsetProxy::get_vec'. Another blue arrow points from the right side of this box to the left side of the third box. The third box on the right has a white background and contains the text 'Rcpp::no_init'.
