

class_::methods_arity

```
graph LR; A[class_::methods_arity] --> B[Rcpp::NamesProxyPolicy::names]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'class_::methods_arity'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Rcpp::NamesProxyPolicy' on the top line and '::names' on the bottom line.

Rcpp::NamesProxyPolicy
::names
